Luddy School of Informatics & Hamilton Lugar School of Global and International Studies: Bachelor of Science
Major: Informatics – Cybersecurity and Global Data Policy
Technical Skills: PAM | IAM Governance | Risk Assessment | AI Governance | Pen Testing Coordination | Workflow Mapping

EXPERIENCE

Hacking For Defense (H4D) – Arlington, Virginia (Remote) Jan 2026 – Present
Systems and Process Consultant

- Selected as Team Leader for an Army-sponsored project in partnership with III Armored Corps addressing gaps in insider-threat oversight.
- Leading a cross-functional team to design a scalable framework for reviewing behavioral indicators and coordinating early intervention efforts.
- Conducting 100+ stakeholder interviews with Army leadership and translating findings into operational and system design requirements.
- Mapping current insider-threat workflows to identify inefficiencies, risk concentration points, and process vulnerabilities.
- Exploring AI/ML-assisted approaches for report screening, pattern recognition, and risk prioritization.

Allianz Life Insurance Company of North America – Golden Valley, Minnesota May 2025 – Dec 2025
Information Security Risk Management Intern

- Earned competitive internship extension based on performance within the Risk & Resilience division.
- Analyzed Privileged Access Management (PAM) databases to validate elevated access controls and identify risk exposure across critical systems.
- Contributed to development of enterprise AI security strategy, supporting risk mapping and responsible AI governance planning.
- Initiated annual penetration testing roadmap planning, coordinating scope definition and aligning testing priorities with risk objectives.
- Translated technical cybersecurity findings into executive-level summaries for senior leadership.

Interlachen Country Club – Edina, Minnesota Mar 2021 – June 2024
Caddy/Bag room Assistant

- Promoted from rookie to “A” level caddy, demonstrating reliability, professionalism, and client service under pressure.

Global Mamas – Bloomington, Indiana Aug 2022 – Dec 2022
Strategic Marketing Consultant

- Collaborated with a team to consult for a Ghana-based non-profit, focusing on women's empowerment and sustainability through local clothing creators.
- Conducted a sustainability audit to identify ways to reduce waste and improve environmental practices.
- Developed a marketing strategy to increase Global Mamas' brand awareness and reach new audiences.

INVOLVEMENT & LEADERSHIP

Phi Kappa Psi Fraternity – Bloomington, Indiana Sep 2022 – Present
Co-Head of the Construction Committee, Apparel Committee Member, Philanthropy Committee Member

- Spearheaded the design and distribution of fraternity apparel, managing the end-to-end process from conceptualization to delivery. Collaborated with vendors to ensure quality and cost-effectiveness, while also ensuring designs resonated with fraternity branding and member preferences.
- Developed and executed strategies to maximize participation and impact in philanthropic initiatives, contributing significantly to the fraternity's efforts in supporting local and national charitable causes.
